Important newsletter information: Over the last few years, NOU has provided both an electronic and paper version of the newsletter and allowed members to choose how they receive it. In 2018, NOU will still provide members the option, but the hard copy version mailed via the U.S. Postal Service will be limited to essential content (4 pages) and will be in black-n-white. Electronic version delivered via email will be in full color and have expanded content. We encourage members to receive the newsletter electronically to help us limit costs and reduce paper waste. However, we also want to accommodate those individuals that are unable to receive the electronic newsletter.

Deliver my newsletter by (check preferred option):

- Electronic version** in full color with expanded content via e-mail
