## NOU News Upcoming Meetings:

Our annual meeting for 2017 will be held May 19-21 in Auburn, Nebraska. The southeastern corner of the state is a terrific place to chase those elusive eastern warblers, and Indian Cave State Park is famous for its warblers (and for many other species as well, such as Pileated Woodpecker). For the county birders out there, the primary counties will be Richardson, Nemaha, Johnson, Otoe, and Pawnee. The registration form is included on the next page. New this year is a \$10 discount on the registration fee for NOU members! Thank you all for your continuing support of the NOU.

Our Fall 2017 meeting will be held in Ogallala, Nebraska, September 15-17, 2017.

## Membership Renewal Time is Here
